Subject: Re: Federal Government Update Call on BP Whiting Spill -- Thursday at 2pm Central

Hi Ronna,
The city of East Chicago will have two possibly three, with two questions:

1. Did we get results yet from the NOAA modeling?
2. When do they expect to examine the floor of the cove for possible oil and was that potential included into the model?

Thanks
Dave Diehl
EMA Director

Please join us tomorrow at 2pm central (3pm eastern): EPA will update elected officials, staff, and local government representatives on the BP Whiting spill. EPA has asked our U.S. Coast Guard colleagues to join us for the phone briefing.

Call-in number:

866-299-3188

Code: 3128860689#

Please let me know if you or someone from your office will be able to join. As always, if you are unable to join tomorrow and have questions, please let me know.

Thanks,

Ronna Beckmann
